

ASE Monday Morning Message

October 29, 2018

Message from the Principal

Dalmatian Parents, Thinking of Halloween coming up, I wanted to provide you with some helpful tips to ensure our student's safety. These tips are taken from the "National Safety Council."

Costume Safety

To help ensure adults and children have a safe holiday, the American Academy of Pediatrics has compiled a list of Halloween. Before Halloween arrives, be sure to choose a costume that won't cause safety hazards.

- All costumes, wigs and accessories should be fire-resistant
- Avoid masks, which can obstruct vision
- If children are allowed out after dark, fasten reflective tape to their costumes and bags, or give them glow sticks
- When buying Halloween makeup, make sure it is nontoxic and always test it in a small area first
- Remove all makeup before children go to bed to prevent skin and eye irritation

When They're on the Prowl

- A responsible adult should accompany young children on the neighborhood rounds
- If your older children are going alone, plan and review a route acceptable to you
- Agree on a specific time children should return home
- Teach your children never to enter a stranger's home or car
- Instruct children to travel only in familiar, well-lit areas and stick with their friends
- Tell your children not to eat any treats until they return home
- Children and adults are reminded to [put electronic devices down](#), keep heads up and walk, don't run, across the street

Safety Tips for Motorists

NSC offers these additional safety tips for parents – and anyone who plans to be [on the road](#) during trick-or-treat hours:

- Watch for children walking on roadways, medians and curbs
- Enter and exit driveways and alleys carefully
- At twilight and later in the evening, watch for children in dark clothing
- Discourage new, inexperienced drivers from driving on Halloween

Bad Weather

We did not count tardies on Tuesday, 10-23-18; however, moving forward please allow for extra time when it rains. Also, keep in mind that the car rider line will be longer on those rainy days due to the increased number of car riders that we have. We will not be able to excuse these in the future. Please plan ahead and thank you for your continued cooperation.

3rd-5th grade parents

Our 3rd-5th graders will soon embark in an In-Line Skating unit in Health Fitness. Please see the link below and be sure to send in your child's permission slip for participation purposes.
